

# What's been happening at Akoranga?

17 April 2025

## Easter Time!

Some of the tamariki have been enjoying Easter crafts and games.

From crafting bunny-ears to doing a painted-rock "egg" hunt, there was fun to be had by all!

**Kaiako Jess is getting married!**

Congratulations to her and her partner,  
Rob!

## Art

The tamariki have been enjoying a variety of different art experiences across the rooms. From painting to sticker art, pens and pencils, to interpretative drawing – the options have been endless!
