

What's been happening at Akoranga?

06 May 2025

Autumn is here!

Tamariki have been enjoying getting outside and into the leaves!

This has sparked conversations about season changes and bug life in the leaves!

It has also resulted in a fantastic game of leaf throwing – which has caused so much laughter!

Claire!

Welcome Kaiako Claire to the Akoranga team! You will find Claire in Room 2, supporting the middle room tamariki.

Art

The tamariki have been enjoying a variety of different art experiences across the rooms. From painting to sticker art, pens and pencils, to interpretative drawing – the options have been endless!
