

JESSIKA

I believe that every child has their own unique life experiences, and their own path to development.

I will work to help guide and support Tamariki to achieve, skills and knowledge as they grow.

As a new educator I believe that a strong trustworthy relationship with Whanau is the start to a healthy trusting relationship with the Tamariki.

As I begin my studies, my aim is to develop a better understanding on how children learn, through their life experiences, working alongside like minded people in guiding and supporting our children.
