RELIEVER

My philosophy is to value and respect all people's beliefs and views.

To have the ability to be adaptable.

Work within a team, it is where you are able to create a community where tamariki, whanau and Kaiako can learn and grow together.

Listen — what you hear is important to someone, {especially yourself}

Differences — Embrace them, it will show you the world 🌍

Challenges — Embrace them, they will build your world

Learn — and you will be rich in knowledge and friendship

Passion — love what you are doing, it is a rare thing

HAVE FUN

Challenge yourself and remember life is for learning
